Name of Applicant: \_\_\_\_\_ Applicant Signature: \_\_\_\_\_

Signature of Principal: \_\_\_\_\_ Date: \_\_\_\_\_

Signature of Technology Coordinator\*: \_\_\_\_\_ Date: \_\_\_\_\_

*\*required when funds will be used to purchase technology and/or media equipment*

When complete, save to your computer and email to [aef@aecsd.education](mailto:aef@aecsd.education).

## Project/Program Narrative Guidelines

Your project/program narrative is a description of your project/program and should be no more than 3 pages in length. Take time to plan and work out the details of your project/program before writing the narrative portion of your proposal, keeping in mind the criteria by which all proposals will be evaluated when reviewed by the Awards Committee. Be persuasive! Some guidelines for writing your narrative include:

- Begin your narrative with a brief introduction of your project/program and goals you hope to achieve, using words the general public would understand. A description of the activities and timetable should be written with a student-centered approach. Specify clearly what students will be doing/learning and how they will benefit. Emphasize the innovative features of your project/program (i.e., unique ways to motivate students, ignite intellectual curiosity, or master material). Include information about any new technology or teaching tools that will be included in your project/program.
- Include the measures of evaluation of your project/program. Describe what measures will be used to demonstrate the program's success, when it should be evaluated, and by whom.
- Before submitting your proposal, test the content against the Selection Criteria listed on the Application.

## Project Budget Guidelines

- Detail your budget request. Include specific information, such as kinds of materials and equipment needed, supply sources, staff involvement/responsibilities, travel expenses, possible non-employee services, etc. Shipping costs for materials/equipment should be calculated into the total budget cost.
- Proposals for materials/equipment must clearly demonstrate their relationship to the proposed student-related project/program. Sports equipment will not be funded unless it is related to the Physical Education Curriculum. Equipment/materials purchased through the Auburn Education Foundation become the property of the Auburn Enlarged City School District.
- Candidates for grants who have applied for funding from other sources agree to notify the Foundation of any other monies received so that the Foundation grant amount can be revised to reflect the amount needed to complete the project.
- List any annual or ongoing expenses that might be required to maintain the program/project and source of funding.
- Only items included in the projected budget may be purchased with Foundation funds. All unused funds must be returned to the Foundation before the next grant cycle.
- Please note that all expenses, including billable hours, must be submitted to the Foundation for reimbursement. No monies will be awarded in advance of the program being completed. Any additional expenses incurred, above the grant amount, will not be reimbursed. Receipts and/or invoice for hours should be submitted to the Foundation for payment. Payment will be made within 30 days of receipt of documentation.

# Budget Worksheet

Budget Items	Amount
Supplies (please list)	
<b>Equipment</b>	
<b>Contracted Services</b>
